Welcome to AQUA Restaurant & Rooftop — where Indonesian and international flavors meet in a relaxed island setting.

We use organic fruits, vegetables, and coconut oil from local farmers, and fresh fish and seafood sourced daily from local fishermen.

Our meat dishes feature premium Australian beef, selected for quality and taste.

At the bar, we serve original spirits, as well as carefully filtered local arak from the mountains of Karangasem.

You can also enjoy a selection of local beers, including draft Kura-Kura Beer, proudly brewed right here in Bali.

Enjoy great food, beautiful views, and the true taste of the island.
